***FOR HANDICAPPED PARKING:**

Instead of parking in the visitor spots near the exterior fountain, turn right at the fountain and continue around to the back of the building. Look for the Green awning marked "Peter's Place". As soon as you have passed the awning and entrance for Peter's Place, look for the next entryway into the building. Park in either of the handicapped spots clearly marked near that entrance. Come into the building and use the elevator near the stairs on the left to come up to the 2nd floor.

****For loading and unloading:**

Follow the directions for handicapped parking. Park (with flashers on) in the spot between the 2 handicapped spots. When finished, move your vehicle to allowed parking anywhere in the back of the building or use the visitor spots in the front by the main entrance.
