## **Alpha Center for Divorce Mediation Marks 20 Years in Doylestown**

### **Will Donate 20 Memberships to YMCA**

Philadelphia, PA, November 2015 – The [Alpha Center for Divorce Mediation](http://www.alpha-divorce.com)<sup>®</sup>, a pioneer in the divorce mediation movement, is celebrating its 20 years in business in Doylestown. In appreciation to the community, Alpha Center is sponsoring 20 limited memberships to be given to newly separated or divorced single parents.

For the past two decades, Alpha Center for Divorce Mediation has guided clients through its 7 Step Divorce Mediation program. The interdisciplinary program includes an experienced team of attorney-mediators, therapist-mediators, and financial professional-mediators who empower couples to make all the important decisions regarding their children, property and finances. This approach saves time, minimizes the emotional and financial toll on the family, and helps them build a foundation to secure their future.

“It is gratifying to know, that through our [7-Step Mediation Program](http://www.alpha-divorce.com), we have been able to assist over 5,000 families in transitioning to new beginnings,” said Keila M. Gilbert, Esquire. “Our clients come to us during one of the most stressful, vulnerable times in their lives. These memberships will hopefully help them to deal with the stress in a very beneficial way.”
